

CMS SYNTESI PX5 – Dimensions

5-axis CNC machining center (2015) – actual measured values (tape measure)

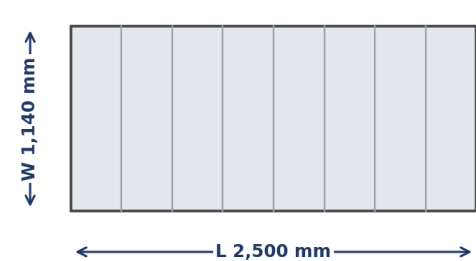

A. Machine - overall footprint (top view)

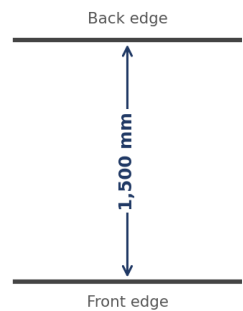

B. Front door panel (front view)

C. Work table (top view)

D. Table - front-back dimension

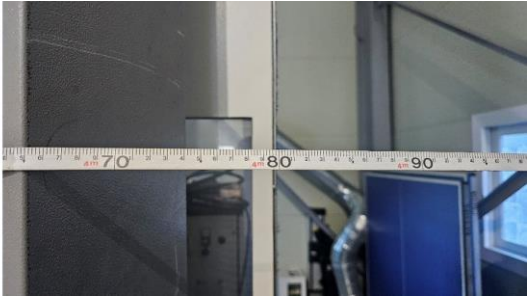

Item	Measured on our actual unit	Drawing
Overall length	4,800 mm	A
Overall width	3,040 mm	A
Front door panel height	2,200 mm	B
Work table length	2,500 mm	C
Work table width	1,140 mm	C
Table front–back dimension	1,500 mm	D

Notes

- 1. Measured values are approximate (tape measure).
- 2. Photos on pages 2–3 use the same labels (A–D) as the drawing above.

CMS SYNTESI PX5 – Measurement photos (1/2): Machine and door

Labels match the drawing on page 1. Photos show tape-measure readings on the actual unit.

A. Machine – overall footprint (top view) L 4,800 mm	 
A. Machine – overall footprint (top view) W 3,040 mm	 
B. Front door panel (front view) H 2,200 mm	 

CMS SYNTESI PX5 – Measurement photos (2/2): Table

Labels match the drawing on page 1.

C. Work table (top view)
L 2,500 mm

C. Work table (top view)
W 1,140 mm

D. Table – front-back dimension
1,500 mm
